### (ANG1) Angel

**First Place Winner**  
**Best Original Digitized Design**  
**Midwest Embroidery Technical Seminar, January, 1997**

Embroider this delicate angel design on two pieces of twinkle organza. Requires no backing. Cut out angel closely, then use a soldering iron to complete the cutwork. Minimal hand sewing required for final assembly. This multi-format disk features designs for all machines that have a minimum 5x7" hoop or the "multi-position" hoop for BabyLock, Bernina, Brother, Husqvarna and Pfaff. Full instructions included for cutwork and assembly. Disk also includes DOS Expanded and Tajima files.

Illustrations scaled smaller than actual size.  
1 to 5 design files per format on disk.
